Position Purpose

The purpose of this position is to support the effective and efficient management of the Mallee Catchment Management Authority’s State Investment program, functions and services in accordance with the Mallee Regional Catchment Strategy, Mallee Waterway Strategy and associated strategies and action plans.

The project officer will have a focus on contractor management and reporting across Mallee CMA State Investment programs, while undertaking end to end project management tasks.

The Project Officer will play a key role in procurement, contract management, project reporting and coordination of on ground works; The Catfish Connections project, while supporting the team in delivery of other on Ground works, Our catchments Our communities, Biodiversity Response Planning and Ramsar programs to protect and enhance condition of Mallee waterways, riparian ecosystems and diverse terrestrial environments.

The role is accountable for engaging and collaborating with the community and key partners in development and delivery of on-ground works projects.

The role contributes to achieving Mallee Catchment Management Authority Business Objective 2 to protect and enhance the region’s natural, cultural and productive values.

Responsibilities

- Coordinate the development of procurement documents and contracts for terrestrial and waterway health activities
- Support the delivery of activities and outputs as specified in the; Victorian Water Programs Investment Framework Funding Agreement and Biodiversity Response Planning contracts
- Consult with the community in the planning, delivery and evaluation of the projects

Official: Sensitive

- Manage own time, set priorities, plan and organise work so as to achieve specific objectives within the resources available and set time frames.
- Work collaboratively with all members of the State Investment team to ensure consistent and informed approach to executed work activities.
- Prepare high level reports on relevant Mallee CMA programs and projects to meet requirements of the Chief Executive Officer (CEO), Board, Implementation Committees and investors
- Contribute stories, ideas and highlights for potential media releases or communication publications
- Provide advice to other team members, management and other agencies on an ongoing basis as required
- Provide support for funding applications as required
- Provide evidence of up to date budget management as required
- Support Contractor management and reporting across all State investment programs.
